Dear Parents,

St Bartholomew's Parents & Friends Association in partnership with the school, will be running their Summer Fun Day on Friday 14th July 2023. We would be extremely grateful to receive some of the following donations to help make the day possible.

In return for an own clothes day on **Monday 10th July 2023**, could we please ask that children bring in the following items:

Nursery, Reception, Years 1 and 2	Packet cake donations with a sell by date of no earlier than 17th July.
Years 3, 4, 5 and 6	Bottles and bottle bags for our bottle tombola (bottles can be anything – ketchup, bubble bath, lemonade... you decide!)
All years	Our 'Chocolate Tombola' is always a huge success, so please could we ask for chocolate bar donations (any size or variety – no nuts please).

We would also be very grateful to receive:

- Pre loved books and toys that are still in very good condition.
- Toiletries that are unused and still sealed.
- Any donations that could be used in our raffle
- We are also still accepting pre loved uniform donations. These will be available to purchase on the day.

Can donations please be brought to school reception on the morning of Monday 10th July.

I appreciate that we ask for a lot of donations, but whatever you can donate, however large or small, will help make the day a joyous event. All money raised by this event will be donated to St Bartholomew's School with a donation to the Anthony Nolan Trust as part of our commitment to support charities close to our heart as a church school.

As always, any helpers to run stalls on the day would be hugely appreciated. If you are available for any part of the day, and are able to help please contact the school office. More information about the stalls and day, will sent closer to the time.

The PFA, St Bart's school and children thank you for your continued support.
