December 2020

Dear Parents,

As we are unable to conduct school tours for prospective parents at the moment, we are making a video about the school which will be displayed on our school website. The filming for this will take place on Friday 11th December. We will be sending out a permissions form on Class Dojo. Could I please ask that you complete this form to say whether you do or do not give permission for your child to feature in this video. If you do not wish your child to feature, we will ensure that they are not included in the recording.

Yours sincerely

A handwritten signature in cursive script, appearing to read 'Rachael Kilmister'.
