

St. Bart's

All God's children learning and achieving together in faith with compassion

A message from Mrs Kilmister

We have decided to produce a weekly newsletter to try and keep connected. After the Easter break, we will be providing you with the class teachers' email addresses so that it is easier to stay in touch. For the time being, please keep emailing me or the school office.

We will be displaying some of the things that you have been getting up to at home on the newsletter and our website so please state if you do not want anything shared in this way.

We miss you all very much but hope that you are enjoying the good weather in your gardens or on walks/bike rides with your family. You can contact us by email or post. Feel free to pop something through the letterbox if you go for a walk. Let us know what you've been getting up to. Perhaps you could draw us a picture, write us a poem or tell us a joke. Most importantly, stay safe!

Home Challenge:

- To create an Easter song, poem or piece of artwork. You may record your performance or send in a photo of your poem/song/art. Each year group will be choosing super stars of the week!

We can't wait to see your tremendous ideas ☺.

Spreading the happiness

We had some lovely post from Connie and Piper Ash. It contained copies of the Happy News; we loved reading many good news stories! Piper even wrote her own page, which cheered us all up! Do you think you could write a good news story? We'd love to read it!

Thank you to Tanisha and Anya for their beautiful drawing and message. It made us smile from ear to ear!
