

St. Bart's

All God's children learning and achieving together in faith with compassion

A message from Mrs Kilmister

This week sees the return to school of some more of our children which is lovely. We can't wait until all of our children are able to come back to school and we can be together again. Until then, we will continue to communicate with you via newsletters, the website and email. Of course, please feel free to call school if you would like to speak to a member of the team. Please keep sending in pictures of what you have been getting up to at home - we love seeing them and it helps us all to stay connected until we are back together!

Wishing you all lots of health, happiness and continued sunshine.

Value of the Month

Our value for the month of June is Wisdom. We ask God for Wisdom when making decisions for ourselves, our community at this difficult time.

Home Challenge:

- Write a recipe for friendship. What ingredients are needed for a lovely friend? How could you make a friend and what does friendship mean to you?
- Create a poster about looking after our world. Make it as eye-catching as you can.

We'd love to see your ideas!

Home learning:

As all teachers are back to full time teaching commitments, we are approaching home learning in a slightly different way until all children are able to return to school. Each morning you will receive an email with links to lessons from BBC Bitesize or Oaks Academy. This will allow you to access an English, maths and foundation lesson every day. These are sequenced lessons and if you follow these, we will be able to answer any questions you have related to the tasks. Please contact Mrs Kilmister or Mr Purshouse in the first instance if you have any queries. This complements the learning logs for each phase that teachers have written. The new Learning logs for this half term are available on our website under Classwork Handouts. As always, these resources are to support you as much, or as little as you would like and are not compulsory.

St Bart's Gallery

Look what some of our children and families have been up to!
There are lots more examples on our website (Classwork-
Handouts, school updates).
