Dear Parents,

It's exciting to be able to start planning for a full year of events, workshops and activities in school. The dates below are the ones that we have booked in so far this year. More dates will be added during the academic year. You will receive separate letters about individual school trips and reminders of these events will be posted on Class Dojo.

If anyone is able to help out in school on our Diwali experience day, please speak to your child's class teacher or Mrs Gilbey, RE lead. Any help would be much appreciated.

There will also be Christmas performances during December; we are in the process of confirming the dates with church and will inform you as soon as we have been able to do this. Sports Day dates are weather dependent and will be rearranged in the event of bad weather.

We will inform you as soon as new dates are added to the school calendar. We look forward to seeing you at school over the coming school year.
