

# St. Bart's

*All God's children learning and achieving together in faith with compassion*

## A message from Mrs Kilmister

We have really enjoyed seeing more of you during this week as children from Years 2, 3, 4 and 5, who have not had the opportunity to come into school since March, have been in to see their teacher and some of their friends. This will continue next week and Year 1 children who have not yet been in will also have a chance to see Miss Beasley and Miss Rogers. We can't wait to have everyone back together very soon. We are waiting for guidance about the wider opening of schools in September. As soon as we know what arrangements we will have to put in place to make this happen safely, we will contact you. We will also communicate transition arrangements to you as soon as these are in place.

## Value of the Month

Our value for the month of July is *Koinonía* (community). Community is especially important at this time. How can you contribute in your community at this time?

## Home Challenge:

- Complete a survey of the vehicles that pass your house. Decide on whether you want to count the different types of vehicles or the colours of cars. You can decide how you do this. Present the findings in a chart or graph of your choice. You could use pictures if you prefer!

## Home learning:

Thank you so much for all of the feedback you have provided to Mr Purshouse about how we are currently structuring home learning. It has been very positive and Mr Purshouse has responded to suggestions and concerns and made adjustments where necessary. We will be introducing Class Dojo for children at home from Monday which I know Mr Purshouse has mentioned in his daily emails. This allows children to communicate with their teachers, upload work for their teachers to see and receive Dojo points as a reward. We hope this will help to further motivate children who are working at home. You will receive an email to sign up to this at some point today. As always, this is optional and is there to support if you would like to use it. Feel free to contact us if you have any problems with this.
