

St. Bart's

All God's children learning and achieving together in faith with compassion

A message from Mrs Kilmister

In this very different start to a Summer Term, all of the staff would like to say hello to all of our children and families. Despite not being able to do many of the things that you may have wanted to over the Easter break, I hope you have been enjoying the sunshine and that you are all well.

Thank you to everyone who has sent art work, poems and Easter crafts to us - we loved receiving them. We've displayed a selection of them in the newsletter. Don't forget, you can send us pictures of what you have been getting up to at home.

I'd also like to say a huge thank you to the PFA who are supporting us in ensuring that we have resources and equipment for the children of keyworkers who are still attending school.

Keeping in touch

We love this photo of Anushka Dhir watching Miss Rogers tell a story. On our website, you can find clips of many of our members of staff reading some of your favourite stories.

Home Challenge:

- To create a list of things to be happy about and/or grateful for. Present this however you wish.
- Make an obstacle course and send us a photo. Perhaps we can try to recreate it!

We can't wait to see you're tremendous ideas ☺.

Thank you to Grace Oluwajobi for her lovely Easter card. It really cheered us up!

Useful websites:

The BBC have launched a comprehensive home schooling programme called BBC bitesize daily. This can be accessed online, through i-player or via the red button on your TV. You can find daily lessons, aligned to the national curriculum in manageable chunks of learning. There will be daily maths and English lessons as well as regular work in subjects such as science, history and geography.

Don't forget to keep checking our school website for updates and home learning tasks should you want them!
