

St. Bart's

All God's children learning and achieving together in faith with compassion

A message from Mrs Kilmister.

It's lovely to share with you again the wonderful things your children have been achieving in school. We couldn't be prouder of their fantastic attitudes and hard work.

We look forward to seeing many of you during our parents' evening next week. Please be aware that I will only be available on Tuesday evening, as I will be accompanying pupils to London for the Global Canvas final on Thursday. However, should you wish to speak to me regarding anything, please feel free to make an appointment to see me.

Best Overall Attendance for January.

Clubs and Competitions

Art club entered the Global Canvas competition which aims to raise awareness of environmental issues through art. This year, the topic was 'Endangered' so the children based their artwork on an orangutan using recycled cardboard packaging. One half aimed to show the beauty of nature with the other half showing the sad reality that we could be faced with if deforestation continues. Their amazing entry has made it through to the final of the competition that is being held at the Natural History Museum on Thursday 12th March. This is an exceptional achievement as there were thousands of entries from all over the world! We are so proud of them all.

A huge well done also to Years 3 and 4 for achieving gold in the Orienteering competition, as well as Year 1 also achieving gold in the Tri Golf competition! We are all extremely proud of you all.

As part of their PSHÉ topic, 'Keeping safe', years 5 and 6 visited Safeside in Birmingham. This trip allowed UKS2 to explore consequences and risks to help us make safe decisions.

.On Monday 10th February, all of KS2 visited the Guru Nankak Sikh Gurdwara to end their RE topic for Spring 1. They were met by Dr Sandhu who shared lots of information about Gurdwaras and Sikhism. The children all really enjoyed the experience and the volunteers at the Gurdwara were really impressed with their knowledge of Sikhism and their exceptional behaviour.

The Massively Huge Years 3 and 4 End of Topic House History Quiz Spectacular!

Years 3 and 4 dressed up as regal Romans and courageous Celts and assembled in the school hall for a battle of wits!

A grey-haired, Roman version of Mr P was our quizmaster as they showed off their knowledge of Roman Britain by answering quiz questions, roaring a battle cry, watching gladiators fight to the 'death' and parading their fancy costumes.

Philos House won the day, but each House scored many points!

They have clearly learned a lot this half-term!

KS1 have been learning all about The Great Fire of London. To end their topic, they made their own Tudor houses and then set them on fire! We watched the fire spread across the houses just like it did back in 1666.

Children in Early Years we have really enjoyed their topic 'transport'. They have been learning about non-fiction texts and have even made their own non-fiction booklets! The children have been exploring and practising road safety, alongside creating their own maps for the naughty bus! He even visited Miss Morris and Mrs Benbow...
